What do you mean 'spend £80,000 for the Gorbals'?

The Gorbals Ideas Fund gives local people, groups and organisations the chance to drive positive change in our community.

With support from funders like the Scottish Government The National Lottery and Glasgow Health and Social Care Partnership, we don't just provide a space for you to share your ideas, we provide a real opportunity to have your idea funded and brought to life.

This year we have **£60,000** available to support ideas from local people and **£20,000** to support ideas from community and voluntary groups and organisations.

So, how can I get involved?

The best way to get involved is to sign up to our Your Priorities platform at www.bit.ly/gorbalsideasfund.

If you prefer you can also email us at info@gorbalsideas.org.uk or text us on **07971819778**.

Your idea doesn't have to be planned or costed – it just has to be something you think would make the Gorbals an even better place to live!

What happens after that?

This part of the process is called Ideas Gathering and lasts for six weeks from **Saturday 1 April 2023** to **Monday 15 May 2023**.

We'll then invite local people to vote for their favourite ideas between **Tuesday 16 May 2023** and **Monday 29 May 2023**.

The **top 10 ideas** posted by local people will then be fully developed and costed before being taken back to the Gorbals Community for a final vote.
